

COMPANY MATCHING PROGRAMS

You may be able to **DOUBLE YOUR DONATION** to the Titan Band Booster Association!!

Did you know that thousands of employers match charitable monetary contributions and/or volunteer hours worked made by their employees?

Two types of Company Donations

- 1. Volunteer Grants** – Companies provide monetary donations to eligible nonprofits, such as Titan Band Booster Association (TBBA), as a way to recognize employees who volunteer. In fact, hundreds of companies offer volunteer grant programs with donations generally ranging from \$10-\$15 per hour volunteered.
- 2. Corporation Matching Gifts** – Many companies match donations made by employees to eligible nonprofit organizations, like TBBA.

How do these Programs work?

- Individuals donate their money and/or time.
- Donors contact his or her employer to ask if the company sponsors a Matching Gift program and/or a Volunteer Grant program.
- Donor submits Matching Gift or Volunteer Grant request to his or her employer.
- TBBA validates the request. ***Some employees have already used their company's matching programs to benefit TBBA. If so, the company has already verified TBBA's nonprofit status and has the necessary information on file. If your company needs verification from TBBA for its Non Profit status, please have your company contact Cheryl Jones at waysandmeans@centennialband.com***
